of Police Stations and based on the feedback BPR&D should formulate a draft uniform pattern for gradation of Police Stations. Accordingly, BPR&D had sent a letter to all the DGsP/IGsP of States/UTs on 5.1.2016 seeking their feedback on the issue. On examination of all the suggestion/feedbacks, it is found that the Performance Measurement Criteria for Police Station prepared by Rajasthan Police are quite exhaustive and cover almost all the aspects which should be considered for gradation of Police station. The performance measurement system along with the matrix has been uploaded on BPR&D website (www.bprd.nic.in) . An advisory has been issued to all States/UTs suggesting suitable action at their level.
